

London Strolls

The London Strolls series of walks, exploring different parts of the capital city in the company of our knowledgeable guide, Joan Gardam, has already reached its 15 year milestone, during which time it has been highly successful. Many people from across the Circuit, and others with no connection to the church, have been attracted to join the monthly Strolls and enjoy the combination of gentle exercise, learning and fellowship which they offer – a tremendous outreach opportunity.

Unfortunately it was not possible to offer a programme during 2018, but so many folk have said just how much they missed them that we hope to be able to plan some further walks in 2019. Details will be published here in due course, and announced in our monthly Newsletter and weekly Notices.
